

## The GOTS certification procedure

1. Reading the Ecocert Standard on [www.ecocert.com](http://www.ecocert.com)

2. Sending your application to Ecocert

3. Signing the contract and estimate

4. Validation of production aids and additives is performed by an Ecocert certification officer.

5. On site audit is performed by an Ecocert auditor

6. File is processed by your certification officer

7. Certificate is issued once the non conformities observed during the audit have been solved

The certified products can then be sold.
